PALMA SOLA BAY CLUB PLANS GROUNDBREAKING

BRADENTON, FL | June 11, 2007 |

– Palma Sola Bay Club, Bradenton's newest waterfront condominium community, is scheduled to break ground in the next few weeks. Permits are now ready and a groundbreaking ceremony will take place within the month.

Currently, Building 12, which overlooks majestic Palma Sola Bay, is the first to be built. Each of the condominiums in this first Building offers a unique view of Palma Sola Bay.

Palma Sola Bay Marketing Consultant, Linda Cinque, recently said, "We offer a fantastic product, priced right in a very convenient location. Our customers know and understand value and are happy to be a part of the future of Palma Sola Bay Club".

As the local real estate market recovery leads the state in sales, Palma Sola Bay Club is positioned to be the premier waterfront community in Manatee County.

In addition to spacious floor plans with numerous amenities, Palma Sola Bay Club offers enclosed parking, a stately two story club house featuring a large heated swimming pool, an island tennis court, and lush landscaping is planned throughout.
